Re: Investigation Concerning the Propriety of InterLATA Services by BellSouth
Telecommunications, Inc. Pursuant to the Telecommunications Act of 1996
PSC 2001-105

Dear Mr. Dorman:

Enclosed for filing in the above-captioned case are the following items:

1. A letter filed with the Georgia Public Service Commission on January 15, 2003, regarding a problem encountered in implementing one of the changes reported in the October 2002 Notification Report, metric O-11 (Firm Order Confirmation & Reject Response Completeness). The filing notifies the Georgia Commission that the correct coding changes for this metric will be in the December 2002 data month.
2. BellSouth's Emergency Motion to Establish Industry Taskforce and to Suspend New Measure P-11 (Service Order Accuracy) and a copy of a letter providing an estimate of the impact of the proposed change to Measure O-9 (Firm Order Confirmation Timeliness) that was referenced in BellSouth's March 2003 Data Notification Information filed with the Georgia Public Service Commission. These two items were filed with the Georgia Commission on February 20, 2003.
3. BellSouth's February 21, 2003, filing with the Georgia Public Service Commission of a cover letter, Georgia updated SQM (both a redlined version and an accepted version) along with the updated SEEM Administrative Plan.
4. BellSouth's Notification Report for the April 2003 data month and a Preliminary Notification Report for the data month of May 2003, which was filed with the Georgia Public Service Commission on March 3, 2003.

Mr. Thomas M. Dorman

5. BellSouth's March 4, 2003, letter to the Georgia Public Service Commission describing three minor corrections to the April PMAP Change Notification which was filed on March 3, 2003.

One paper copy and a CD-ROM of the filing are provided to the Commission. A CD is provided to all parties of record.

Sincerely,

Dorothy J. Chambers
